Dear Michael,

Congratulations to you for signing up to become a **2010 North Dakota Professional Builder**, and being a member of this prestigious designation group! The North Dakota Association of Builders (NDAB) is pleased to administer this voluntary certification program that has been established to recognize professionals in the home building industry.

As a ND Professional Builder you are listed in a **special section on the NDAB's website** ([www.ndbuild.com](http://www.ndbuild.com)). It will be the first place to which consumers will be referred when they contact our office. If the information listed should change or is inaccurate, please contact our office for immediate correction.

You will find enclosed:

- **Consumer brochures** explaining the advantages of building with a NDPB. (A quantity of 50 has been provided. You may order extras for a small charge.)
- **Window clings** that you can proudly display in your vehicle or office.
- **2010 ND Professional Builder logos** in electronic form (color and black & white) for use on your marketing materials.

Again, **congratulations** on becoming a 2010 North Dakota Professional Builder!

If you have any questions, please contact Doreen ([doreen@ndbuild.com](mailto:doreen@ndbuild.com)) or Sandy ([sandy@ndbuild.com](mailto:sandy@ndbuild.com)) at the NDAB office. Thank you again for your participation.

Sincerely,
