

FOR IMMEDIATE RELEASE  
9 A.M. CST, March 17, 2010

**Andersen Corporation, including subsidiary Renewal by Andersen Corporation, named ENERGY STAR® Partner of the Year**

**Fargo, ND – March 17, 2010** – The U.S. Environmental Protection Agency (EPA) and the Department of Energy (DOE) have named Andersen Corporation, including its subsidiary Renewal by Andersen, as an 2010 ENERGY STAR® Partner of the Year award winner for the Product Manufacturer – Window category. Andersen Corporation, including its subsidiary Renewal by Andersen, was selected out of more than 17,000 organizations that participate in ENERGY STAR programs.

Andersen, including Renewal by Andersen replacement windows and doors, receive this designation for its outstanding contribution to reducing greenhouse gas emissions by manufacturing and educating consumers about energy-efficient products.

"As the exclusive Renewal by Andersen affiliate in this area, Western Products is honored to be associated with an organization to receive such an honor," said Ray Blaha, General Manager of Western Products. "We strive to provide the best quality home improvement products to our customers, including environmentally friendly and energy efficient products." Western Products also carries energy efficient siding, insulation and roofing – all which qualify for the tax credit available through the American Recovery and Reinvestment Act of 2009.

Call 800-743-3632 for more information regarding Renewal by Andersen® replacement windows and doors, seamless steel siding, and roofing.
