Western Products Makes Donation to Roger Maris Cancer Center

Fargo, ND – May 10, 2010 – On Monday, May 10th Western Products of Fargo, ND presented the Roger Maris Cancer Center with a donation of \$4,700. Western Products raised the funds during their Think Pink campaign at the Red River Valley Home & Garden show by donating and matching \$25 for every appointment set at the show. The funds will be used for breast cancer support groups and allow area women to participate in trial studies.

Western Products chose to support the Roger Maris Cancer Center because of their commitment to the Red River Valley and their promise to bring the latest treatments and drugs, that would not be available otherwise, to this area.

"Western Products is excited to have been able to raise such a significant amount of money for the Roger Maris Cancer Center," says Ray Blaha, General Manager of Western Products, "Our Think Pink campaign received a lot of positive attention at the show from survivors, current cancer patients and any who have been affected by this disease. Our salesman were especially excited to be a part of this positive campaign."

Western Products, Inc. has been serving Fargo-Moorhead and surrounding areas for over 60 years and carry a wide variety of home improvement products, including United States Seamless® steel siding, Renewal by Andersen® replacement windows and doors, roofing, seamless gutters and LeafAway® gutter protection systems and is now featuring Crystal Cabinets.
