### SIDELITES

### 8' SIDELITES

- Oak Grain Pattern
- ⊙ Hemlock Grain Pattern
- ▣ Smooth Fiberglass

All Heritage Fiberglass doors without glass are available as an Impact Shield Product.

Entry System U-Factor: As low as .14 (Tested to NFRC specifications for a 6 panel door with wood frame).

\* Warranty time period may be limited in extreme applications. See warranty for details.

**Polyurethane core** reduces energy loss.

**Improved definition panel profile** creates excellent shadow lines and distinct panel designs.

**Specially engineered fiberglass door facings** will not dent and resist splitting, cracking and warping.

**Plugless Window Trim** is optional on Heritage Fiberglass (see Price List for available styles)

Heritage fiberglass entry systems come standard with an **anodized nickel threshold with a complementary riser.**

**1 1/8" Finger-jointed, 2-ply solid oak laminated stiles** for both hinge and strike sides are proven to provide increased rigidity and structural integrity.

**Variable-depth woodgrain texture with hand-applied stain** imitates a wood door appearance.

**Square-edge design** offers an attractive wood door appearance.

**Lock area is reinforced** to provide a solid mounting surface for decorative hardware.

**A high-performance, composite material** is utilized on all Heritage fiberglass bottom rails, giving excellent rot-resistance.
