

LEGACY™ STEEL

LEGACY SKIN OPTIONS

Legacy Steel features add up to a professional-class product. Whether you select Legacy Woodgrain Textured Steel or Smooth Steel, our entry systems will provide an elegant, durable and energy efficient addition to any home.

7-YEAR FINISH WARRANTY*
See pgs. 98-99 for paint and stain finishes

Most Legacy Steel Entry Systems are ENERGY STAR® Certified.

Legacy Steel Doors with full-lite or half-lite decorative glass with ComforTech™ glazing will include a pane of Low-E glass in order to be ENERGY STAR certified. This includes the following styles; 150, 230, 239, 240, 350, 430, 437, 439 and 460. Since Low-E glass has a slight color tint, it is recommended that sidelites and transoms are ordered with optional Low-E pane to match the door.

CUSTOMIZE BOTH SIDES
You can customize your entry by ordering a different series, style and finish on each side of your door.

CUSTOM WIDTHS & HEIGHTS
Need a little more height or a little less width? We offer customized door and sidelite widths and heights in 1/8" increments.

LEGACY STEEL DOOR STYLES See pages 34-93 for glass availability.

- 20-gauge Woodgrain Textured Steel
- ◆ 20-gauge Smooth Steel
- ✦ 20-gauge Smooth Steel with High-Definition Embossing
- ▲ 24-gauge Smooth or Textured Steel (used with all 20-gauge doors)

* Warranty time period may be limited in extreme applications. See warranty for details.

† Patent - USD621062

Composite top endcaps increase rigidity and energy efficiency.

Special adhesives/thermal barrier reduce heat and cold transfer, while our exclusive tab and slot system of **mechanical interlocks** gives the door exceptional structural strength.

ProVia doors are **foam filled by a computer driven process** that ensures the optimal foam fill for maximum energy efficiency and strength.

The edges and face skin of our steel doors are **one continuous piece of steel** for strength and durability.

To reinforce the lock and deadbolt area, we add a **rigid composite lock block** to all of our steel doors.

Plugless Window Trim is optional on Legacy Steel (see Price List for available styles)

Our 20-gauge steel doors give you **49% more galvanized steel** than a standard 24-gauge door.

Legacy steel entry systems come standard with an **anodized nickel threshold with a complementary riser.**

Composite bottom endcaps increase rigidity and energy efficiency.
